Faculty Publications

Repository: Delaware State University Archives
William C. Jason Library
1200 N. DuPont Highway; Dover, DE 19901
302-857-6130

Creators: Delaware State College Faculty

Location: Row 16, Bay B, Shelf 4

Extent: 2 linear feet

Language: English

Source of Acquisition: unknown

Conditions Governing Access: This collection is open to public viewing. No restrictions.

Conditions Governing Use: US Code Title 17 applies. Permission to publish, quote, or reproduce must be secured from Delaware State University or the copyright holder.

Related Materials: The publications of Dragoljub Pokrajac, professor of computer science, may be found within his collection.

Scope and Content:

This collection is comprised of two series, faculty papers and Faculty Journal. Series I is comprised of both published and unpublished faculty papers including manuscripts, journals articles, conference presentations, grant narratives, and IRB reviews. Some items are written in French or German, and are noted. Although others are included, the majority of DSC/DSU departments represented within the papers are:

- Enrollment Management and Student Affairs
- Department of Agriculture and Natural Resources
- Department of Biological Sciences (also referred to as Department of Biology)
- Department of Chemistry
- Department of Economics
- Department of English and Foreign Languages;
- Department of Home Economics
- Department of History, Political Science, and Philosophy

Series II of the collection is comprised of Faculty Journal, a publication of Delaware State College that showcases the research of the faculty. The journals found within this collection are dated between 1967, the first year of publication, and 1989.

Arrangement: Series I is arranged alphabetically according the faculty member’s surname and thereafter by title. Series II is ordered chronologically by the publication date of the Faculty Journals.
Box and Folder Listing:

**Series I: Faculty Papers**

**Box 1:**

Folder: General
  Item: Delaware State College, *Faculty research interests*, n.d.

Folder: Aa-Bh
  Item: Alarif, L., Castro, O., Ofosu, M., Dunston, G., Scott, R. B., *HLA-B35 is association with red cell alloimmunization in sickle cell disease*, 1986
  Item: Bell, K., Jones, E., Fowler, R., *The effects of varying energy levels and resorcylic acid lactone on feedlot performance and carcass characteristics of dairy and beef steers*, May 1978 [3 copies]

Folder: Bie-Bie
  Item: Bieker, R., *Forecasting aid to families with dependent children caseloads and payments in Delaware*. Journal of the Northeastern Agriculture economic council, Vol. VIII, No. 1, April 1979
  Item: Bieker, R., Johnson, D., *Socio-economic problems of non-urban people of Delaware*, cooperative research review June 4-5, 1980 [3 copies]

Folder: Bie-Bz
  Item: Bodola, A., Wujtewicz, D., Petrosky, B., *The feasibility of utilizing minnows as forage in farm ponds, III. The effect of refuge size on minnow standing crop and on large mouth bass production in small ponds*, May 1982

Folder: C-D
Item: Colcolough, H., Helmy, F., Hack, M., Some histochemical observations on the lipofuscin of vertebrate liver, kidney and cardiac muscle, 1970 [2 copies]
Item: Dill, N., Plants of the Sea: Our marine origins, n.d.
Item: Dill, N., Plants of the Sea: Out of life’s small tragedies ... A lesson in marine botany, n.d.
Item: Dill, N., Plants of the Sea: Pickled pink – the glassworts, n.d.
Item: Dill, N., Plants of the Sea: A reed for all seasons, n.d.
Item: Dill, N., Plants of the Sea: And visions of beach plums, n.d.
Folder: E-G
Item: Ferguson, T., Thyroxine effects upon the mitotic activity of the medulla oblongata after unilateral excision in embryos of the frog, August 1966
Item: Flayhart III, W., A guide to world history from the earliest times to the seventeenth century, 1994
Item: Flayhart III, W., A guide to world history from the earliest times to the seventeenth century, 2002
Item: Gilly, W., Rosenthal, J., Amino acid sequence of a putative sodium channel expressed in the giant axon of the squid Loligo opalescens, 1993
Folder: H
Item: Hack, M., Colcolough, H., Helmy, F., Flavin as a component of lipofuscin, 1970
Item: Hack, M., Helmy, F., An analysis of melanoprotein from amphiuma liver and from a human liver melanoma, 1964
Item: Hack, M., Helmy, F., Bis-phosphatidic acid plasmalogen in brain of amia calva and its correlation with the intact plasmalogen and the cardiolipin (disphosphatidyl glycerol) series of phosphatides, 1975
Item: Hack, M., Helmy, F., Chromatographic analysis of the neutral and phosphatide glyceryl ethers from various biological sources, 1975 [2 copies]
Item: Hack, M., Helmy, F., Comparative lipid biochemistry – III. Plasmalogens of Cardiac Muscle, 1964
Item: Hack, M., Helmy, F., A comparative chemical study of the liver of various vertebrates, 1964
Item: Hack, M., Helmy, F., The diminution of the myelin ethanolamine plasmalogen in brain of the Jimpy mouse and brain and spinal cord of the Quaking mouse as visualized by thin-layer chromatography, 1978
Item: Hack, M., Helmy, F., A reappraisal of the dog-heart infarct plasmalogen, its
conception as a bis-phosphatidic acid and current recognition as an N-acyl phosphatidyl ethanolamine, 1982

Item: Hack, M., Helmy, F., Resolution of the choline plasmalogens of various vertebrate tissues by thin-layer chromatography, 1978

Item: Hack, M., Helmy, F., Some additional observations on the analysis of glyceryl ethers and chromatographically related lipids, 1976

Item: Hack, M., Helmy, F., Some correlative lipid and histochemical studies of experimental myocardial infarction in the dog, 1967

Item: Hack, M., Helmy, F., Some studies relating to the properties and biochemical significance of cardiolipin, 1967

Item: Hack, M., Helmy, F., Thin-layer chromatographic resolution of molecular species of ethanolamine plasmalogen quantitatively unique to myelin, 1977

Item: Helmy, F., Some enzyme histochemical studies of the transitional epithelium of mammalian urinary tract, 1973

Item: Helmy, F., Some histochemical observations on the kidney of the lizard anolis carolinensis, 1972

Item: Helmy, F., Hack, M., Comparative histochemistry of liver (amphiuma and rat) and the melanin pigment cell system of amphiuma liver, 1964

Item: Helmy, F., Hack, M., Comparative lipid biochemistry – V. The neutral lipid plasmalogens and other lipids of some specialized sebaceous glands, 1967

Item: Helmy, F., Hack, M., Comparative lipid biochemistry – VI. Lipids of green and etiolated euglena gracilis and of blastocrithidia culicis, 1967

Item: Helmy, F., Hack, M., Comparison of the lipids in maternal and cord blood and of human amniotic fluid, 1962

Item: Helmy, F., Hack, M., A correlative lipid and lipolytic study of the pancreas and small intestine of the guinea-pig, 1986

Item: Helmy, F., Hack, M., An ethanolamine plasmalogen artifact formed by acetone extraction of freeze-dried tissue, 1966

Item: Helmy, F., Hack, M., Further observations on the melanin pigment cell system, 1969

Item: Helmy, F., Hack, M., Histochemical and lipid studies on human and rat placenatas, 1964

Item: Helmy, F., Hack, M., Histochemical and lipid studies on human choroid plaxus, 1963

Item: Helmy, F., Hack, M., The melanin pigment cell system of the ovary of frog and toad and of bidder’s organ of the toad, 1965 [2 copies]

Item: Helmy, F., Hack, M., Some contributions to the thin-layer chromatographic analysis of complex natural phospholipid and neutral lipid mixtures, 1986

Item: Helmy, F., Hack, M., Some further comparative histochemical studies of the vertebrate kidney 1970 [2 copies]

Item: Helmy, F., Longley, J., A chromatographic analysis of the lipid of cat and dog kidneys, 1966
Item: Helmy, F., Yaeger, R., Hack, M., Some histochemical observations on the blood cells of six species of turtles, 1969

Box 2:

Folder: I-Mie
Item: Jones, E., Bell, K., Swain, R., Carroll, R., Alfalfa investigations in Delaware, October 1981
Item: Jones, E., Bell, K., Washington Jr., U., The response of two soybean varieties to various fertilization practices, May 1978 [3 copies]
Item: Martin-DeLeon, P., Fleming, M., Petrosky, D., Pattern of Silver Staining in cells of six-day blastocyst and kidney fibroblast of the domestic rabbit, 1978
Item: Martin-DeLeon, P., Petrosky, D., Fleming, M., Nucleolar organizer regions in the rabbit (oryctolagus cuniculus) as shown by silver staining, 1977
Item: Mielke, A., Dennis F. Mahoney: Der Roman der Goethezeit, 1990 [German]
Item: Mielke, A., Fremde welt - verkehrte welt: Zu bestialisierungstendenzen der satire, 1990 [conference program] [German]

Folder: Mis

Folder: N
Item: Nwosu, O., Children’s readers on Africa series, 2000
Item: Nwosu, O., Les Hérosines de l’Afrique de l’ouest d’après les romantiers, 1993
Folder: O-Q
Item: Ofosu, M., Castro, O., Alarif, L., *Leg ulceration in sickle cell anemia is associated with HLA-B35*, 1985
Item: Ofosu, M., Castro, O., Alarif, L., *Sickle cell leg ulcers are associated with HLA-B35 and Cw4 antigens*, 1987
Item: Price, J., Bieker, R., Li, T., Johnson, D., *Factors affecting the labor market performance of the working age poor in Kent and Sussex Counties, Delaware*, 1975
Item: Price, J., Sheth, K., Pruett, A., *Factors affecting the early labor market performance of terminal high school students in rural Delaware*, 1979

Folder: R-Raa
Item: Raasch, M., Altemus Sr., V., *Delaware’s freshwater and brackish water fishes: A popular account*, 1991 [unbound proof]

Box 3:

Folder: Raa-S
Item: Smith, C., *On the side line or in the game*, 2002

Folder: T
Item: Tucker, A., *The cultivars of lavender and lavandin (labiatae)*, n.d.
Item: Tucker, A., Dill, N., *The collections of Albert Commons on Delmarva, 1861-1901, with attention to August 4-5, 1874 and September 9-10, 1875*, 1993

Folder: W-Z
Item: Washington Jr., U., Wynder, W., Jones, F., *Yield and growth of soybeans as*
affected by modifications of the soil profile, 1973 [3 copies]
Item: Wilkinson, D., Palmer, W., Lead in teeth as a function of age, [1975?]
Item: Wujtewicz, D., The feasibility of utilizing minnows as forage in farm ponds: IV. A life history of the blackbanded sunfish enneacanthus chaetodon, in Hudson Pond, Delaware, June 1982
Item: Wardlow Jr., M., Biographies of over 1100 famous black Americans of the twentieth century: A-D, Volume I, July 2007
Item: Wardlow Jr., M., Biographies of over 1100 famous black Americans of the twentieth century: K-O, Volume II, July 2007
Item: Wardlow Jr., M., Biographies of over 1100 famous black Americans of the twentieth century: P-Z, Volume IV, July 2007

Series II: Faculty Journal
Box 4:

Item: Bound Volume, 1967-1973
Item: Bound Volume, 1967-1974
Folder: Faculty Journals, 1967-1973
  Item: Faculty Journal, 1967-1968
  Item: Faculty Journal, 1971-1972 [3 copies]
  Item: Faculty Journal, 1972-1973 [3 copies]
Folder: Faculty Journals, 1973-1975
  Item: Faculty Journal, 1973 [2 copies]
  Item: Faculty Journal, 1974
  Item: Faculty Journal, 1975
Folder: Faculty Journals, 1976-1983
  Item: Faculty Journal, 1976-1977 [3 copies]
  Item: Faculty Journal, 1982-1983 [3 copies]
Folder: Faculty Journals, 1984-1985
  Item: Faculty Journal, 1984 [3 copies]
  Item: Faculty Journal, 1985 [3 copies]
Folder: Faculty Journals, 1986-1988
  Item: Faculty Journal, 1986-1987 [3 copies]
Folder: Faculty Journals, 1988-1989
  Item: Faculty Journal, 1988-1989 [3 copies]

Colophon:
The faculty publications were originally housed as part of the Delaware Room collection. They were transferred to the archives by E. Cottle and initially processed. After an accession of faculty journals in 2018, the second series was added by R. Scherry and the collection was rehoused and described within this finding aid (November 2018).
